HEAT's mission is to develop highly motivated and successful individuals to maximize their potential in and out of the pool.

Explorers Aquatic Club (EAC) was founded in 1986. EAC was renamed Hudson Explorers Aquatic Team (HEAT) in 1999 and is known throughout the area as a first-class, year-round competitive USA swim program. HEAT offers a guided age-group program for children age 5 and up. HEAT has been awarded a Bronze Medal Club status from USA swimming as one of the top 200 clubs in America in 6 of the last 7 seasons. In 2018 HEAT earned Lake Erie Swimming Club of the year for its overall performance.

We offer practice and training groups for the beginning swimmer to the most competitive and skilled swimmer. When a young person becomes a member of HEAT, they learn so much from goal setting, working hard, sportsmanship, teamwork and so much more. Swimming with HEAT provides physical skills that will last a lifetime.

The background of this section features a large, stylized "HEAT" logo with a flame design, similar to the one at the top of the page.
